TEST VERIFICATION OF CONFORMITY

Kiwa hereby declares that the **Vacuum Machine Aero Series**, types:

Aero 35, Aero 35+, Aero 42, Aero 42+, Aero 42XL and Aero 42XL+

Manufactured by: **Henkelman BV**
Titaniumlaan 10
5221 CK 's-Hertogenbosch
The Netherlands

have been tested to following standards:

IEC 60335-1:2010, COR1:2010, COR2:2011, AMD1:2013, COR1:2014, AMD2:2016, COR1:2016

EN 60335-1:2012 + A11:2014 + A13:2017 + A1:2019 + A14:2019 + A2:2019 + A15:2021, EN 62233:2008

(Except clauses: 9, 14, 18, 31 and 32)

and full fills the requirements as mentioned in the test report

The test report can act as a base to show presumption of conformity with the essential requirements of the Low Voltage Directive (2014/35/EU). However no certification scheme according ISO 17067 is evaluated during this test verification.
